

Cal/OSHA Just Showed Up, What Now?

Develop your best response to Cal/OSHA knocking on your door

- Understand the Cal/OSHA inspection process, how you can prepare for the inspection, and learn your rights and responsibilities
- Review your documentation and written program requirements essential to minimizing penalties associated with citable offenses
- Hear how to minimize, mitigate, and appeal a Cal/OSHA citation
- Review Assembly Bills affecting business owners and the consequences of not complying with the standards

Marty Tamayo, CSP, ARM, Associate Engineer, Cal/OSHA Standards Board

Marty is currently an Associate Engineer with the Cal/OSHA Standards Board. He has over 19 years experience in occupational safety and health, loss control, and risk management. He is a Certified Safety Professional (CSP) and an Associate in Risk Management (ARM). He has a Bachelors degree in History and a Masters degree in Human Relations.

Understanding Your Experience Modification

How Does Your Loss History Compare To Others In Your Industry?

- Eligibility determination
- Loss valuation
- Claim severity vs frequency
- Experience period determination
- Experience modification formula
- 2010 and 2011 experience rating changes

Michael Vail, Policyholder Ombudsman, Workers Compensation Insurance Rating Bureau of California (WCIRB)

Michael joined the WCIRB in 1985 and since 2004, serves as the Policyholder Ombudsman to employers. He provides information and answers questions about the workers' compensation system, including issues relating to classification and experience rating plans. He has a Bachelors degree in Business Administration.
