9:00 a.m. – 12:00 p.m.

-
- I. Member and Guest Sign-In
 - II. Call to Order, Greetings
 - III. Guest Speakers

9:00 – 10:30 **“Six Sigma Safety: Establishing World-Class Continuous Improvement”**

- **Mike Williamsen, Ph.D. - V.P. Consulting Services
CoreMedia**

Dr. Williamsen is a nationally recognized workplace safety consultant with more than 25 years of safety and business change management experience. Mike teamed with Dr. Dan Petersen to develop and implement a nationwide safety accountability and continuous improvement system that has helped companies reduce injuries at a rate of 80% within two years.

Takeaways from this presentation include how to:

- Understand Safety Perception Survey results
- Establish cross-functional Continuous Improvement teams focused on cultural shortcomings
- Develop practical, effective safety accountabilities for all job functions from the executive level to hourly contract employees at the workplace
- Integrate safety into daily business processes

10:40 – 11:15 **“Protecting Outdoor Workers from Mosquitoes, Snakes, and other Outdoor Critters (i.e. Vectors and Non-Vectors)”**

- **Tawnia Pett, Public Outreach Coordinator
Orange County Vector Control District**

Tawnia will provide a brief overview of what can be done to protect outdoor workers from diseases such as West Nile Virus, and how to recognize and avoid contact with snakes and other potentially harmful vectors and non-vectors.

- IV. Roundtable Discussion
- V. Legislative Committee: Update on Proposed and Adopted Cal/OSHA Regulations and other safety legislation.
- VI. Officer Reports
