9:00 a.m. – 12:00 p.m.

-
- I. Member and Guest Sign-In
 - II. Call to Order, Greetings
 - III. Guest Speakers

9:00 – 10:00 **“The Aging Workforce”**

- **George Brogmus, MS, CPE, M.Erg.S.**
Liberty Mutual, Loss Control Advisory Services

The United States General Accountability Office estimates that by the year 2015 the proportion of workers over 55 will have nearly doubled since 1990. Mr. Brogmus will examine the implications of these trends on safety and health in the workplace and what employers can do to minimize any adverse impact. Based on research, we will also dispel some misconceptions while providing practical steps to prepare for the increase in older workers. We will examine five key areas where organizations can implement changes now and reap benefits in the years to come.

10:40 – 11:00 **“Jackhammer Lift Device Presentation”**

- **Ron Soric, Vice President**
Integrated Tool Solutions, LLC

Ron Soric will provide a brief overview of a bolt-on, pneumatic Jackhammer Lift Assist, that was designed to reduce jackhammer related back injuries while increasing job productivity.
