9:00 – 10:15 **“Emergencies and the Safety Officer: How it really fits together.”**

- **Donna Boston, Emergency Manager  
Orange County Sheriff’s Department, Emergency Management Bureau**

Donna will provide an overview of the Emergency Operations Center and emergency Management, and the Safety Officer’s role in an EOC. Donna’s career spans 15 years in Emergency Management. She is the Orange County Emergency Operations Center Manager and is charged with managing Orange County’s Emergency Management Program, including County preparedness, and response and recovery.

10:30 – 11:00 **“The Workzone Alert System”**

- **Jodie Anderson, President/CEO/Founder, JoDog Safety Innovations**

The Workzone Alert System is a new innovation that identifies vehicles that are traveling at an unsafe speed near highway work zones. The system is comprised of a radar, computer, and air horn. When a vehicle enters into the work zone at an unsafe speed an air horn will trigger to alert the worker giving them enough notice to take evasive action. Jodie will provide a brief demonstration of the Workzone Alert System.

11:00 – 11:10 **“Pinch Not Door Safety Products”**

- **Cecelia Haynor, Vice President, Carlsbad Safety Products**

Cecelia Haynor will provide a brief demonstration of some door safety products which are installed on doors to prevent fingers from getting pinched or crushed.
