AGENDA

Thursday, January 13, 2011
9:00 a.m. – 12:00 p.m.

-
- I. Member and Guest Sign-In
 - II. Call to Order, Greetings
 - III. Guest Speakers
9:00 – 10:00 “Understanding and Controlling the Top Five Property Deficiencies Observed in City and County Property Loss Control Surveys”
 - **Tim Leech, CSP, ARM**
Alliant Insurance Services
Risk Consulting

Alliant Insurance Services insures thousands of public entity clients across North America through the Public Entity Property Insurance Program (PEPIP). Alliant’s Risk Consulting division is tasked with the responsibility of providing consulting services to PEPIP members. Through this process they have tracked data and reports to identify the most common deficiencies found. The presentation will provide an account of these findings and reference recommendations to reduce potential losses from occurring or the severity associated with losses due to dysfunctional fire protection equipment.
 - 10:00 – 10:30 “Aerosol Transmissible Disease Program Update”
 - **Bill Taylor, Safety Manager**
City of Anaheim, Risk Management Division

An update will be provided on the Cal/OSHA ATD standard. Examples of different policies from a few public agencies will be provided. We will also discuss some compliance challenges with the current regulations and provide some clarification on several requirements in the standard.
 - IV. Roundtable Discussion (Items to be determined)
 - V. Legislative Regulatory Update: (Cal/OSHA: Personal Protective Devices, 3380, Cranes & Derricks-Group 13, Diesel Exhaust Retrofits-1591(m), Fed/OSHA: Intrepretation of Noise Standard; Feasible Engineering Controls)
 - VI. Officer Reports

Paid members will be eligible for a raffle drawing. **There will also be no charge for guests who attend this meeting.** Please RSVP for this meeting by contacting Joleen Richardson at Joleen.Richardson@longbeach.gov or at (562) 570-5059.
